

Genesis 4:1-15: Are You Abel?

1.3

LIFE LESSON: I will strive to give God my best in all that I do.

Plans to Succeed

When driving to an unfamiliar place, we use Google maps or GPS to give us a plan. A plan allows us to go the right direction, make all the necessary turns, avoid dangerous areas, and arrive on time at the right location.

Why is it important to plan in advance to give God your best?

The Bible is vital to developing an action plan to give God our best.

We can also ask mentors to help us develop a plan.

Using a journal to write plans and goals is another step toward success.

Let's practice journaling below. For the basic categories provided, write one action or goal to give God your best. Two boxes have been left open for you to add categories that apply to you personally. For example, you may be involved in music lessons or Bible Quizzing. Title the empty boxes and complete the action plans.

Solve the Mystery

To unravel each grid's mystery word, first eliminate the duplicate letters (some letters will appear more than twice). Then follow the clues to determine the correct placement of each letter.

- “Right place” means the letter goes in the circle directly above it.
- “Wrong place” means the letter goes in a circle that is not directly above it.
- “Wrong order” means that if a letter comes before another letter in the puzzle, in the solution they will be in the opposite order.

Use the mystery words from above to complete the summary of Genesis 4:1–15. One word will be used twice.

Abel brought the best from his _ _ _ _ _ as an offering to the Lord. However, Cain brought the _ _ _ _ _ of the _ _ _ _ _ . Cain was angry when God respected Abel's offering rather than his offering. Cain became so angry that God warned him “sin lieth at the door.” Cain did not repent of his anger and he killed Abel. The Lord asked Cain where his brother was and when Cain said he did not know, God said, “The _ _ _ _ _ of thy brother's blood crieth unto me from the _ _ _ _ _ .”
